

The European Pulp and Paper Industry
warmly welcomes you to join us
at our side-event and cocktail on

Biodiversity protection, not just words on paper but real best practices by the paper industry!

*Salon Hauptmann of the Hotel Maritim, Bonn
27 May 2008 from 18:15 to 19:45*

During this side-event, Mr Hans Verkerk from the European Forest Institute will present the results of an assessment of the impacts of biodiversity protection on the availability of wood for the industry, and speakers from the industry (including Mr Päivi Salpakivi-Salomaa, UPM, Mr Wolfgang Schopfhauser, Papier Holz, Mr Gustaf Aulen, Södra and Mrs Paula Guimaraes, Portucel Soporcel) will show how through best practices the European Pulp and Paper industry supports forest biodiversity protection.

The event will be followed by a cocktail.
