European forests – prosperous and healthy or in critical conditions?

4 May 2021

Part 2
Climate Smart Forestry in practice – testimonies from forest owners

Luc Bouvarel
Forest owner & consultant for CEPF, Confederation of European Forest Owners

Kristjan Tonisson
Member of the management board of State Forests of Estonia (RMK), EUSTAFOR, European State Forest Association

Nils Ringborg
Forest owner & Director for International Affairs, Holmen Group (SFIF)
FOREST-RELATED POLICIES IN THE EU
EU forest-related policies have grown manifold and many more are in the pipeline

**ENVIRONMENT**
- Closer-to-nature forestry
- Biodiversity friendly afforestation and reforestation
- Nature protection target
- Deforestation-free value-chains
- Circular Economy Action Plan

**ENERGY**
- Recast of REDII with forest biomass sustainability requirements

**CLIMATE**
- Carbon farming and forestry
- Emission trading directive
- Carbon border adjustment
- Revision of climate targets

**AGRICULTURE**
- New EU forest strategy post 2030

**FINANCE & MARKET**
- Sustainable finance for green investments
